■ Toy Story characters come to life as CHOGOKIN robots

The set of five popular Toy Story characters make up the combination robot. Each figure's arms and legs are articulated and transformable and all together they make one big, amazing robot.

Bullseye(height 170mm)

Bullseye forms the chest and right arm, and supports the robot. His arm can dish out a knockout punch with his finishing move, "Bassha Punch"!

Woody(height 160mm)

Forming the core of the robot is the well-known town sheriff, Woody! His hat is an airship. He is the control center of the robot.

Slinky Dog(height 75mm)

With his characteristic spring body, Slinky Dog forms the left arm and can use the arresting move, "Star Wrapper"!

Rex(height 220mm)

Solidly forming the right leg is Rex! He can attack the enemy with his Knee Spikes.

Hamm(height 100mm)

Hamm is the left leg. His weapon is the sharp Coin Saw.
